

**Contents of Scientific Researches**

1	<p><b>THE EFFECT OF DIFFERENT EXCIPIENTS ON LORNOXICAM/BACLOFEN ORODISPERSABLE TABLET</b></p> <p><sup>1</sup>Maryam Alaayedi*, <sup>2</sup>Ashti M.H. Saeed, and <sup>1</sup>Hasanain Mahmood*, <sup>1</sup> Kerbala University, college of pharmacy, Kerbala, Iraq <sup>2</sup> University of Mustansiriyah/ College of Pharmacy, Baghdad, Iraq</p>	1 - 11
2	<p><b>The protective and therapeutic effect of alcoholic extract of rosemary officinalis against degeneration effect of over dose of paracetamol on the heart muscle of rats.</b></p> <p><b>Muntdhur Mohammad Cani</b></p> <p>Department of Clinical Laboratory Science /Collage of Pharmacy /University of Kerbela / Iraq</p>	12-22
3	<p><b>Study The Effectiveness of Honey on The Healing of Burns Compared to The Chemical Drug Silver Sulfadiazine</b></p> <p><b>Qutaiba Hommadi Mahmood Al-Samarraie</b> University of Samarra- Col. of Applied Sciences-Dep. of Pathological Analysis</p>	23-30
4	<p><b>Evaluation Biological Activity of Some Chemical Compounds Contain Amide group or Imine group</b></p> <p>Shaima Ibraheem chyad AL-khazraji <sup>1</sup>, Hussein habeeb mustafa<sup>2</sup> University of Kirkuk /College of Education for Pure Sciences / Dep.of chemistry</p>	31-41
5	<p><b>Evaluation of the effectivity of some organic extracts of <i>Aloe vera</i> against some Pathogeneic bacteria</b></p> <p><b>Yass Kudhir Yasser alalq</b> Biology department ,college of science, Kerbela University, Iraq</p>	42-49
6	<p><b>Synthesis and characterization of some new heterocyclic compounds with studying the biological activityfor some of them.</b></p> <p><b>Salwa Abed- Alsatar Jabbar</b> College of education for Women/ Department of Chemistry.Tiktit-Iraq</p>	50-64

7	<p><b>Role of <i>Eruca sativa</i> in prevention of induced nephrocalcinosis in rabbits</b></p> <p>Uday Abdul-Reda Hussein Ph.D. Pharmacology Department of Clinical Laboratory Science , College of Pharmacy , Thi-Qar University, Iraq</p>	65-73
8	<p><b>Production of polyvalent and monovalent diagnostic antibodies against <i>Pseudomonas aeruginosa</i></b></p> <p>Abdulelah A. Al-Mayah Dept. of Clinical Laboratory Sciences, College of Pharmacy, University of Basrah, Basrah, Iraq</p>	74 – 81
9	<p><b>Synthesis and antibacterial study for some heterocyclic compounds.</b></p> <p>Wissam khalifa jassim Department of Chemistry,college of Education Ibn-Al-Haithamc ,for pure Science.Baghdad/Iraq.</p>	82 - 92
10	<p><b>Histological changes in the Lacrimal gland of Rabbits after exposure to Formalin and treatment by Ciprofloxacin</b></p> <p>Muayad Naeem Kareem * Muna Hussain .Al-aameli ** Heba Abd-Alsalam Alsalam ***</p> <p>*Department of Biology, College of Science, University of Kerbala, Iraq. **Department of Anatomy and Histology, College of Veterinary Medicine, University of Kerbala, Iraq. ***Department of Biology, College of Education for pure Science, University of Kerbala, Iraq.</p>	93-103
11	<p><b>Spectrophotometric Method for Determination of promethazine Hydrochloride in Pharmaceutical formulation Based on coupling with 4-Aminoacetanilide in Presence of N-BromoSuccinimide</b></p> <p>Shymaa Saud Sabri*and Mohammad Salim Abdulaziz</p>	104-119
12	<p><b>Epidemiology of toxoplasmosis among Samarra' University female students and effect of infection on some sexual hormones</b></p> <p>Marwa Jasim Mohammad College of Applied Science – Department of Pathological Analysis –University of Samarra' – Iraq</p>	120-130
